The ~~Sales~~ following particulars gathered from the previous references in the Secretariat are noted. The "Tamilian" was being published in Madras from 1907 to 1922, and then ceased there. In 1923, one D.M. Rajaratnam of Siddarta Book K.G.7 asked for permission to print & publish it in K.G.7. under the ~~Presidentship~~ editorship of G. Appadurayar President Buddhist Assn., K.G.7. The Dy. Comr reported at the time that the object of the publisher was to promote Buddism & elevate depressed classes. It was also stated by the D.S.P. that in 1918 there was a great deal of trouble as "Tamilian was casting reflections & aspersions against other religions & which led to trouble between adikarnatakas & buddists and that the D.S.P. had great difficulty in averting a serious breach of the peace. As the journal was of a non-political nature, permission to start the journal was however given in May 1924. In 1932 the Dt Magte Kolar reported that the paper had been publishing articles offending the religious susceptibilities of Christians, Mahomedans & Hindus & that warnings had no effect. The permission to publish the paper was therefore cancelled in July 1932.

5) A few months later, the same Rajarathnam applied for permission to re-start the journal under a different Editor. After some enquiry, permission was given in October 1932 to Mr. Rajarathnam forming a publishing the paper again under the editorship of one Aiyakannu a School master — with a warning that the permission given would be cancelled if the paper were to publish again any attacks on other religions (The D.G.P. was not in favour of revival of the paper as he thought that though a different man was chosen as Editor the policy was likely to continue unchanged, and the suppression of the paper had given universal satisfaction. The Dy. Com[r] however, said that Rajarathnam had learnt a lesson & permission might be given to re-starting the paper with a different editor].

X 6) In the Police Special Branch Abstract for week ending 26.1.1935 just received, reference is made to certain handbills ~~&~~ circulated by the paper in which it is claimed that it—

"Strives hard in uprooting the untouchables by openly revealing the deceit of Brahmanism, Resolving against the belief in Gods, deities, castes, religion, undesirable Puranas" etc

NOTE—Contn. Sheet.

WD 0195—GPB—22,500—12-6-34

The Police report says that "the articles in the journal are being watched".

1) From the papers put up, it appears that whoever is designated editor, the paper is practically run by a Buddhist Association and it frequently attacks other religions etc. Being a "Tamil" newspaper its influence for good or bad on the local public at K.G.F. is comparatively much more, than in the headquarters cities and towns of the State, and it is not easy to keep in direct active touch with this "religious" paper and watch its activities.

His Highness,

The Maharaj of Mysore State,

Mysore.

May it please Your Highness,

Let me apologize to you at the very start for the liberty I take in addressing this letter, but I have been so compelled as to the necessity of this letter has been so urgent and great. When Your Highness reads this letter itself Your Highness will find sufficient reasons for the venture I have taken.

In introducing myself to Your Highness let me say that I am a native of Tinnevelly District, and a Catholic by religion and do business here in Ceylon.

I am quite aware of Your Highness's benevolent actions towards the catholic church in your state. Your having laid the foundation stone of St Philomema the great wonder worker still before my eyes, hence though Your Highness is not a catholic, catholics all over India and Ceylon know that you are not an anti-catholic but thank God decidedly pro-catholic.

Now I come to the object of this letter. Your Highness is aware of the terrible plague, Bolshevism which denies the existence of a Supreme Being and which is fast spreading in all parts of the world under the name of Communism and Socialism. Here too in India our Dear Land Bolshevism is being spread under the pretext of reforming the society in the tamil districts of Southern India.
The propaganda work of Bolshevism under the name of Self Respect Movement. Time to time there spring up weeklies and monthlies which attack God and religions specially Christianity most specially the catholic church and Her clergy. The fathers of Bolshevism realize as well, the only bulwark of God is the catholic church, and once they succeed defeating the catholic church , they are more than sure that all the other religions can be wiped out from the face of this globe in no time and for this reason they have concentrated all their forces against the catholic church. Ofcourse they will soon or later realize that the catholic church is founded by God and God is with Her and will be with Her for ever.

I had to address His Excellency the Governor of Madras in August 1933 appealing him to take steps against certain weeklies which were unjustly attacking and abusing the catholic church and Her clergy. I must tell Your Highness with feelings of gratitude that His Excellency not only acknowledged my letter but suppressed some of those papers. For maintenance of the order of a country you will agree with me that the practice of religion is necessary and almost all religions acknowledge a Supreme Being and there is no difference of opinion about the existence of a God. To deny the existence of God means denying a Supreme Law Giver. If the world accepts this, then there can be no lord, no order, no morality of socity or family and the whole mankind.

If Bolshevism is not checked, this world will be nothing but hell on earth. For the good of any country, state, town or village it is essential that Bolshevism should be fought and killed.

The above said Self Respect Movement as I can see in the tamil papers, is taking root in your good State There is a tamil weekly called "Thamilan", which attacks most unjestly in the most blasphemous sacriligious filthy languages and in its recent issues and it writes shamelessly without any self respect most unjurious scandlous filthy false and accusing stories. No man or a woman worthy of his or her name can read those pages without tears and shocks.

I submit that it is a disgrace to the State in which they are published. Thsi weekly certainly bears the good name of your state. Freedom or speech, freedom of writing is very good, but it must be freedom in the true sense of the word and that is freedom to do good in speech and writing and not the freedom of the beasts. I remember once Mr Gandhi having told a press representative on his way to England "Freedom" means permission to sin. However great Mr Gandhi may be, even a small village girl of little knowledge will not agree with him. If freedom means permission to sin there should not be one Law Court or Police Court in this world.

I appeal to Your Highness in the name of Justice and fairness to cause immpartial inquiries immediately to take such steps as to suppress the papers which attack God Religion and its Ministers. It will be in the good interest of your state and your subject.

Lastly I beg of you to forgive me for the length of this letter which I think is necessary.I shall be ever grateful to hear from Your Highness as to the action you have taken on this matter.

I beg to remain,
Your Highness's Dutiful Servant

Chief SECRETARY TO GOVERNMENT OF MYSORE,
~~Department~~,
Bangalore.

SIR,

Referring to your letter No:1664/C.B.14-34 dated the 4th instant, calling for a report regarding the general tone of the paper "Tamilian" and its effect on the public, I have the honor to state that the "Tamilian" is the paper published by the ring-leaders of the self-respect movement in the Kolar Gold Fields. The chief supporters of the self-respect movement are undesirables of a dangerous character whose chief aim is to insult all religions and wound the religious feelings of all communities. The Sri - Sidhartha Press, Andersonpet is the press in which all such objectionable literature is published. The owner of the press is one Mr. B. M. Rajarathnam, one of the most mischievous undesirables in the area. Mr. Rajarathnam is the owner of a Book-Depot in -- which all literature condemning all religions are sold. He is ~~the~~ also the owner of the Tamilian Karyalaya. He is the printer, publisher and manager of the "Tamilian". One E. N. Aiyakannu, a Tamil Teacher of the Bhuddist School is the editor of the Tamilian.

Recently Mr. Rajarathnam printed and issued a booklet styled "An open letter to Lord Siva in Heaven". That book wounds the -- feelings of Saivites to such an extent as to drive them to a breach of the peace. An order under Sec.144 Cr.P.C. was therefore issued by me on the 31st of December 1934 and the copies of the booklets have been seized. The extent of agitation caused by the publication of that booklet will be seen from the petitions received and kept in the enclosed file relating to the proceedings under Sec.144 Cr.P.C. Mr. B. M. Rajarathnam who published the book gave a statement

before the Police to the effect that he did not think that there was no objectionable matter in the booklet. He is - the person responsible for the paper "Tamilian" at present, the editor being a very insignificant person. I enclose -- herein a letter No:C.C.362/21st February 1935 received from the Superintendent of Police, Kolar Gold Fields, requesting that the prohibition under Sec.144 Cr.P.C. may kindly be -- extended by Government for a period of four months from 1st March 1935 on which date my order under Sec.144 Cr.P.C. will expire. I am enclosing an English translation of the Tamilian hand-bill advertising the "Tamilian". It will be seen therefrom that it is intended to preach liberation from the bondage of believing in God. I therefore recommend that the permission given for the editing, printing and publishing the Tamilian may kindly be cancelled and the paper ordered to be stopped. I also request that Government may be pleased to continue the prohibition under Sec.144 Cr.P.C. for a period of four months as recommended by the Special Superintendent of Police, K.G.F.

The petition from Mr. J. A. Lane sent with your letter is herewith returned.
